performance in the Screening Test (The institute reserves the right to decide the number of shortlisted candidates as per the vacancy positions advertised against the above posts). This screening test is common for all groups.

b. Stage II: Skill Test

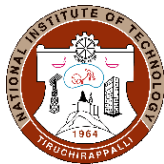

The shortlisted candidates from Stage I, will have to appear for Skill Test which is of qualifying in nature, after certificate verification. Certificate Verification is scheduled for all shortlisted candidates as per the schedule. If any candidate is found not satisfying the essential requirements as per RR, during the certificate verification, his/her candidature would stay cancelled.

During certificate verification, the department choice of the candidate will be received from the candidate to appear for the skill test. After certificate verification, Skill test will be conducted based on the choice of the Department made by the candidate. This test focuses on testing the practical skill set of the candidates. Hence the test will be conducted specific to the Department of choice of the candidate. **The duration of the Skill test and reporting time for the skill test will be informed to the candidates during Certificate Verification.**

The candidates who qualify the Skill Test would be shortlisted for the Main Written Test as per the schedule. The level for Skill Test for Senior Technician will be slightly higher than that devised for Technician.

c. Stage III: Main Test

The shortlisted candidates from Stage II, will have to appear for Main Test based on which the final selection list will be prepared as per the reservation roster displayed in the advertisement. The candidates will be grouped into three categories as Group I : Circuit Branches (EEE, ECE, ICE, CSE and related departments), Group II : Non Circuit Branches (Mech., Production, Chemical, MME, Civil, Architecture and related departments, Group III : Allied Sciences (Physics, Chemistry and related departments). This main test will be conducted based on the choice of the Group. The level of main test will be slightly more for Senior Technician than Technician.
